Refunds and cancellations

It's important that your bike is in a roadworthy condition; we can't offer you a refund if we find your bike is un-roadworthy on the day.

Similarly, we can't offer you a refund if you break down. And we can't even offer you a lift. So please ensure you've got breakdown cover.

If you need to cancel your Rider Skills Day, please give at least 14 days' notice. If we have to cancel for any reason, we will give you as much notice as possible and offer an alternative date or refund.
